TRUE SENSE PUBLICATIONS

OM CD Offerings

*Blessings and Thanks
to our Spiritual Teacher, Founder and Director of Nahziriyah Monastic Community
- Rev. Nazirmoreh (ABRD)*

In Service, our Beloved Spiritual Master -
Reverend Baba Nazirmoreh K. B. Kedem (A.B.R.D.)
has had gathered together a beautiful selection of CD recordings for
ones' consciousness expansion and further spiritual development.
Each selection carries deep love and expansive spiritual intent.

Omniscient OM (Meera P. Kerr)

**\$18.00 - CD recording (TY)
(page 2 of True Sense Catalog)**

A continuous, ethereal chanting of OM... the primordial vibration of the universe. Chant accompanied by gentle bells, gong, conch and piano. (this recording as well as the Eternal Om generally heard playing at the Nahziriyah Monastic Community/ Nazir Art Crafts booths at various craft shows and outdoor exhibits).

**OM - bilateral alignment (Natale)
\$16.00 - 60 minutes, CD recording**

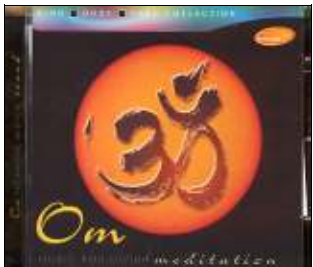

"Practicing the OM nourishes the inner being, imparts spiritual growth. Purifies the brain and the heart. OM embraces all aspects of life and grants all its rewards... Perfect for either listening or chanting. Created for both the beginner and master, because it meditates the self. Massed voices and synthesizers intone to a singular sound, removing thought as one falls deep into a void of peace beyond space and time..."

Mystical OM - Musical Magic of OM (WS)
\$18.00 - CD recording - approx. 1 hr
 "...Feel the vibration of OM. Hear the reverberations, resonance and echoes of Om. Let All chant Om." Mystically unforgettable!
 Keyboards, tanpura, vibraphone - flute and sitar sound.

OM Sanctuary (Valley of the Sun)
\$18.00 - 70 minutes, CD recording
 "In the tradition of the best selling Eternal OM, comes a new musical creation that will appeal to all who loved the first album. OM Sanctuary captures the same ageless energy and generates an atmosphere of peaceful renewal, but in a uniquely different way. The most sacred of universal tones is chanted, accompanied by harp and synthesizer. Ideal for meditation, physical and mental therapy."

OM - Music for Divine Meditation
(vocals by Ashit Desai)
CD recording Price \$19.00 (WS)
 "OM is a musical bliss through the regular use of which, a restive heart and stressful mind can achieve eternal peace and harmony, joy and happiness of being at one with the Creator... Ashit Desai puts Om to music based on pure Vedic traditions."

AUM (Mercury Max)
\$18.00 - CD recording - approx. 1 hr
 "Through chanting Aum, which means to concentrate on the mono-syllable sound, all unnecessary thoughts begin to leave the field of awareness. Through continuing the one-pointed focus, a natural flow of thought on the one sound steadies the mind."
Instrumentation and vocals

Universal OM - The Mantras of the mantras
(Patrick Torre) approx. 60 minute CD recording
Price \$19.00 (WS)
 "Recorded in the Pontigny Abbey in France, these vocal vibrations contain natural overtones that have been produced by the voice only. No instrument has been added... Pure and heavenly, they create deep internalization and centering."

Ultimate OM - (Jonathan Goldman)
approx. 71 minute CD recording
Price \$17.00 (WS)
 "This recording of hundreds of voices chanting OM is like the original sacred sound of the universe... Listening to Ultimate OM will help create calming and centering of mind and body. The ancient sacred and healing sounds of OM, when coupled with the new science of Psychoacoustics, will help induce a state of deep peace for the listener." Information booklet included
