Gayatri Mantra

(Jasraj, Goswami)

CD recording \$18.00; cassette \$11 approx. 60 min.

Instrumental (sitar, flute, tabla, vibrophone), vocals, chanting
The album begins with an explanatory commentary and invocation of Gayatri, the personified Mother of the Vedas followed by the Pranayam Mantra (used for breath control) which is said to open up one's being to receive the energizing, effulgence of the Sun. Om, the seed sound, is then chanted three times to welcome this Divine power. The Gayatri Mantra follows, chanted in chorus 108 times (one rosary or mala). The album ends with an aarati or prayer, thus fulfilling the three stages of bhakti or devotion - visualization, meditation and prayer.

Vaastu

(Shuddhi and Shanti)

CD recording \$18.00; cassette \$11.00

Vaastu means that which already exists. The album begins with a signature prayer to purify one's environment and chants for blessing; blended with commentary. This is followed by the Vaastu Purush Mantra chanted 108 times and concludes with a prayer for forgiveness.

(vocals, accompanied by meditative music)

Spirit of Harmony

healing music for relaxation

(Dr. Balaji Tambe)

CD recording \$18.00; cassette \$11.00

"Healing music is the need of the times in this fast world of activity. The texts and musical compositions based on ragas, which are presented in this album, have been selected as a result of scientific research to offer relaxation for the body, mind and soul.

(Especially effective for stress relief, diabetes, hypertension and heart disorders.)"

(flute, harp, santoor, harmonium, keyboard, tabla, percussion)

Yoga Nidra music for meditation and peace

(Dr. Balaji Tambe)

CD recording \$18.00; cassette \$11.00

"Deep sleep is a beautiful gift from nature, which everyone should be able to enjoy. The sleep in which one is totally aware and becomes integrated in mind, body and soul is known as 'Yoga Nidra'. During Yoga Nidra, the body remains in a relaxed state in Shavasana, while the awareness is consciously focussed within. With relaxation and proper sleep, the energy is restored and the body and mind are rested and refreshed. Yoga Nidra is one of the most effective techniques to achieve good sleep, a healthy body and the possibility to experience beyond. (Yoga Nidra increases love and devotion, promotes a balance of the five elements and seven chakras, offers spiritual progress and peace.)"

(flute, keyboards)

Yoga Nidra II music for meditation and sleep

(Dr. Balaji Tambe)

CD recording \$18.00; cassette \$11.00

"Yoganidra is a guided visualization process, which combines music and commentary to bring deep mental and physical relaxation. This album builds further on the principles espoused in the album Yoga Nidra I. Whereas Yoga Nidra I focussed on application of the practice of Yoga Nidra towards meditation and peace, Yoga Nidra II focuses on applying this ancient practice to achieving better sleep and relaxation. (Yoga Nidra increases love and devotion, promotes a balance of the five elements and seven chakras, enabling wholistic healing for mind, body and soul.)"

(flute, keyboards)
